

Dear Parent or Guardian:

This letter is to inform you that your CIA student will be talking about Homosexuality from a Biblical perspective in an upcoming club meeting. It has been an issue that has been discussed in schools for a decade. With all this attention it is important for us to help students understand and view this cultural issue through a Biblical perspective.

In this study, students will learn about the myths and truths of homosexuality, what the Bible has to say, so that they can respond to their LGBT friends. A few of the topics the students will be discussing are; How should Christians treat homosexual identified men and women? God loves everyone including homosexuals. What is God's design for sexual intimacy? Change is possible through redemption and grace.

Please know that we have done everything possible to facilitate this lesson according to the needs and maturity level of our CIA students.

If you prefer to have your student absent from this lesson, please let your CIA School Coordinator know by _____.

Sincerely,
