

Released Time

is a program to evangelize and disciple public school students through adults who relationally teach, model, and apply Biblical truth.

This happens for students, grades 3 through 12, with an emphasis on Bible lessons, character instruction, and Bible memorization.

It occurs weekly during the school day through volunteers who interact with and mentor with the children.

Joy El Generation's Mission Statement

Providing opportunities for people to experience life-change through personal encounters with God.

Builds Godly Character

It gives children what they need:

- * Biblical teaching
- * Moral and character Instruction
- * Christ-like role modeling

“I told the children that even when they think no one cares, that God always loves them and they should remember that I also love them and consider them like my own children. This student started to pay attention and his whole attitude seemed to change. It was so exciting to see the transformation in him.”

To enroll a child, to volunteer, to learn more...

Released Time

Improves Academics

The National Council on crime and delinquency reports:

Academic scores for Released Time students improved in 3 categories of literacy skills:

- ✓ Comprehension
- ✓ Spelling
- ✓ Vocabulary

“I wanted to do the activities and learn more about God.”

Invests in Others

The volunteer plays an important role:

- An opportunity to share the salvation message with children.
- Your own spiritual life will be strengthened through fellowship with others.
- You will participate in what God is doing in changing lives.

“My listener talked with me, I was doing a lot of stuff in my life that was bad. I stopped getting into all this trouble.”
