

Our Volunteers Tell Us:

“Being a Bible Adventure volunteer has helped me to grow in my own spiritual walk. I’ve had to learn God’s Word in order to teach it to the children and being a role model for the children helps me to be accountable for living as Jesus wants me to live.” — *a volunteer from York County*

“When I retired I needed something to fill my time. I enjoy doing things for people, so I help clean up the buildings after busy weekends. I push a broom or a mop around, and I do it unto the Lord. He honors that.” — *a volunteer with our Monday Morning crew*

“We like helping out at the ministry offices. There are always materials to be printed, cut, and sorted for the various programs. We enjoy doing tasks that help change young lives.”
— *a volunteer couple from Franklin County*

“Such is the generation of those who seek him, who seek your face, O God of Jacob.”

Psalms 24:6

***Volunteers Make
The Difference***

Igniting a generation
that seeks Him!

At Joy El, we believe God has called us to train and equip the next generation of the Church to take the message of the Gospel to the world. One of the best ways we can do this is by providing the opportunities and training for God's people to impact children and youth for Christ.

To this end, we have three distinct programs through which we do this:

- Bible Adventure (formerly known as Released Time)
- Joy El Camps and Retreats
- 4.12 Leadership Training Program.

But these programs can only succeed with the help of thousands of volunteers like you. Won't you consider a gift of your time to help us disciple and mentor children to reach the world for Christ?

Why Should I Volunteer?

Our volunteers continually tell us how much they get out of the time they invest. Those who work with our children and youth mention the joy they get from helping kids grow in their faith. Those who help with our facilities, mailing and office work tell us how fulfilling it is to use everyday skills to help change young lives. Whatever your skills are, we can use them to further the Gospel by building up the next generation.

How Much Time Would I Need to Give?

The amount of time you spend volunteering is entirely up to you. Different roles have different commitments. We can work with your schedule so that you can use your gifts for the Lord in any of our programs.

What Type of Work Do Your Volunteers Do?

The number of ways you can volunteer are nearly endless. In Bible Adventure we need teachers, secretaries, bus drivers, listeners, song leaders and many others. At Joy El, we need inspirational speakers, nurses, kitchen help, maintenance help, housekeepers and more. In our 4.12 Leadership Training Program, we need spiritual mentors who will help our youth to grow spiritually. Tell us how

you are interested in volunteering your time and talents and we'll work with you to get you involved in ways that you'll find fulfilling and exciting.

What If I'm Not Qualified

The Lord is always ready to use a willing heart and so are we. If you desire to help in a position for which you need training, we will provide that training. Equipping people to serve is a large part of our mission. We will teach you the skills you need in order to serve

"I help out in the kitchen during summer camp and I love being with the young work crew members. They are my favorite part of volunteering here. They keep me young!"

— a volunteer from
Fulton County

"I mentor two young men in the Barnabas ministry. I'm amazed at how much they both appreciate the investment that I am giving them. I pray that other mentors will enjoy this experience as much as I do." — a Barnabas ministry mentor
