The Ziebarth Family

Dear Parent or Guardian,

Again and again, parents tell us the #1 reason they send their child to CIA is for the quality spiritual instruction. The second reason is because of the caring relationships their child develops with the volunteers. I am excited that you are considering this program for your child.

Every day we see how the biblical mentoring given by adults who lovingly care for your children (we have a ratio of one volunteer to every 2.5 children) will help them significantly improve their character and improve their outlook on life. This life-changing hope is so valuable.

The benefits regularly translate into improved school performance and interaction with their peers. If we can answer any questions as you consider this valuable program, please give us a call.
